Education & Outreach Program

## William Hardy Memorial Professional Internship Program

Internship opportunities at Classical Theatre Company are designed to provide an enriching, career-broadening experience for qualified high school and college students. The program allows interns to participate in and learn from a professional theatre environment. The level of responsibility within our company requires that interns be motivated and energetic self-starters who are willing to expand their knowledge and training through our program. Interns are selected on a show-by-show basis. There are three internships available at this time: Acting, Production Assistance, and Administration.

### Acting Internship:

- Acting interns are used within the rehearsal and performance process as understudies. This creates the opportunity to work with professional actors and learn new acting techniques.
- Actors must be present at all rehearsals. Rehearsals take place Tuesday-Friday evenings from 6pm-11pm, and Saturdays/Sundays 11am-5pm.
- While there is no guarantee for performance, actors must be on call 1 hour prior to each performance of their assigned production. Performances run Thursday-Saturday evenings at 7:30pm, and Sunday matinees at 2:30pm. There is one Monday night performance during the run at 7:30pm.
- Actors will be given complimentary tickets to the shows, and are expected to attend once a week once the show is open.

### Production Assistant Internship:

- Production assistant interns work directly with the stage management team to coordinate and run rehearsals. During the run of the show, production assistants manage the backstage area.
- Production assistants must be present at all rehearsals and performances. Rehearsals take place Tuesday-Friday evenings from 6pm-11pm, and Saturdays/Sundays 11am-5pm. Performances run Thursday-Saturday evenings at 7:30pm, and Sunday matinees at 2:30pm. There is one Monday night performance during the run at 7:30pm.

### Administration Internship:

- Administration interns work directly with the administrative staff in several different production-related capacities. Duties may include: coordination of publicity opportunities, marketing and advertising assistance, handling box office functions, management of target groups, and organization of show-related events.

### Education & Outreach Program

- Due to the varying nature of this program, the start date of the administration internship is dependent on the student's availability. Likewise, administrators have the opportunity to create a flexible schedule depending on the complexity of the show and the intern's experience.

- Applicants to the program must be at least rising juniors in high school.
- Applicants are expected to demonstrate entry-level knowledge of the theatre, and have an interest in pursuing a career within the industry.
- CTC will work with academic institutions that offer course credit for internships.
- **If the intern is not receiving course credit**, a stipend may be provided depending on the internship. Actors may receive \$200; Production Assistants may receive \$250; Administrative interns may receive \$250.
